

### About

This type of showcase is freestanding on the floor, which is suitable for almost every kitchen. Refrigerated showcase ensure a great conditions for storing food and also helps eliminate the food getting out of their quality. Suitable for shops, canteens or gas station, where customers can take the products out of the showcase on their own (without any help of the staff).

Made from stainless steel material, so it is easy to clean and guarantees a long term service life. You can choose to light up a showcase or not.

Our showcases are designed with security in mind – we offer this showcase either in lockable or non-lockable version. Every design brings you comfort.
