

About

Free-standing showcases with cooling table situated under the showcase. Suitable for supermarkets or canteens, where customers can see the products inside the showcase. Refrigerated showcase ensure a great conditions for storing food and also helps eliminate the food getting out of their quality and freshness.

There is enter on each side – the customer side and service side. Glass from each side of the showcase - for an ideal visual offer of goods.

Made from stainless steel material, so it is easy to clean and guarantees a long term service life. You can choose to light up a showcase or not. Gastro offers a lockable or non-lockable version of these showcases.
