

About

Saladette with drawers and tubs. There is a polypropylene cutting board in the front part of the product and a stainless steel hinged lid in the back part, where you can place GN 1/1 gastro containers. It contains four adjustable feet and a digital thermostat.

Saladette has valve cooling inside and has automatic defrosting. Ecological cooling medium R290 has no negative impact on the environment.

It is suitable for restaurants, fast food, hotels, hospitals, or canteens. Made of stainless steel, so it is easy to clean and guarantees long life.
