

About

Wine showcase recreate the ideal conditions of a traditional wine cellar for your wine. This type of showcase is designed for wine shops, wine presentation or restaurant and many others. Free-standing showcase with aggregate located at the top or at the bottom or central cooled. Variants with two temperature section. The showcase is available with different types of shelves. Super glossy stainless steel inside and brushed stainless steel outside.

The glass door preserving a great visibility to your product and making it more attractive thanks to LED lighting. Thanks to the right setting of temperature and humidity, features of your goods will be unchanged at the ideal conditions. Lockable or non-lockable version. Made from stainless steel material, so it is easy to clean and guarantees a long term service life.
