

### About

It is equipped with 6 wheels for easy movement of the entire counter. The upper part of the counter contains 5 heating plates with a ceramic glass plate under the GN tubs, above which there is a QIR heating lamp (2GN & 3GN) and a glass extension with a hinged door.

The lower part contains a heating cabinet and a neutral cabinet with a hinged door and an internal shelf. On the service side there is a removable shelf with a PE board. Made from stainless steel material, so it is easy to clean and guarantees a long-term service life.
