**Follow all instructions from ExCeL London traffic marshals whilst on site.**

- Please arrive no earlier than 15 minutes prior to your booked time slot. This will ensure that you access the loading bays as soon as possible and assist in reducing any undue congestion or delay.
- The type of vehicle you bring to the venue must be the same as that confirmed at the time of booking. Vehicles larger than those booked will not be accommodated.
- Time allocated is dependent on vehicle size and cannot be changed. Please make sure you leave within your allotted time and leave site or relocate your vehicle.
- These slots are specific for loading and unloading only. Parking is a separate entity which can be organised through conversation with the ExCeL Traffic team.
- Abusive behaviour towards any member of the ExCeL Team may result in your removal from site.

**PLEASE NOTE:**

Event Vehicles wishing to access ExCeL London **must** use **Royal Albert Way** to enter **Sandstone Lane**. No vehicles will be permitted access to the venue from Seagull Lane.  
**. Please use postcode E16 1FR in up-to-date satellite navigation systems.**

*If you do not move your vehicle by the time stated on this pass you will be contacted by a member of our traffic team.*
